

ELE 448 – Microwave Techniques Laboratory

II

Laboratory Rules

Experiments:

- ↓ There will be **five (5)** experiments with **no preliminary works and 5 lab reports**.
- ↓ Quiz day, hour and location are determined as **Tuesday, 12:00** at **E6**.
- ↓ Quizzes will be held on the week which experiment is performed.
- ↓ There will be **five (5)** Quizzes.
- ↓ Laboratory day will be announced to you at least one week before the experiment is performed.

Attendance:

- ↓ You have the right not to come **one (1)** experiment.
- ↓ If you don't attend more than one experiment, **you will automatically get the grade F1**.
- ↓ **If you don't attend quiz**, you can't enter related experiment.
- ↓ There won't be **any make-up** experiments.

Project:

- ↓ There is one project consists of three parts during the term.
- ↓ There is **NO written examination** at the end of term. Project will be considered as final exam.
- ↓ **First part of project** is done **individually** and consists of
 - ✓ Determination of project,
 - ✓ Theoretical calculation and design of microstrip circuits.
- ↓ **Second part of project** is done in **group manner** and consists of
 - ✓ Simulation of the circuit designed in the first part.
- ↓ **Third part of project** is also done in **group manner** and consists of
 - ✓ **Printing and testing circuit.**
 - ✓ **Presenting result in a poster session.**
- ↓ For further information, look into project guides.

Grading:

- ↓ Quiz → 10 points
 - ✓ 5 Quizzes → 50 points
- ↓ Lab Report → 2 points
 - ✓ 5 Experiments → 10 points
- ↓ Project (Final Examination) → 40 points
- ↓ Total → 100 points
